

BOILER HOUSE

MEN'S SHED

EVERY FRIDAY 10.30AM–12.30PM

A Men's Shed is a place for men to enjoy making and mending. They're about social connections and friendship building, sharing skills and knowledge, and of course a lot of laughter.

Activities in Sheds vary greatly, but you can usually find woodworking, metalworking, repairing, restoring, electronics, model buildings or even car building in a typical Shed. It really depends on the people that attend the sessions.

The Boiler House Men's Shed takes commissions which keeps the Shed active and provides some income to maintain our facilities and running costs. If you know someone who wants something made or repaired please let us know.

INTRODUCING BOILER HOUSE

The Men's Shed is running at the Boiler House every Friday morning. The Boiler House is a new community workshop and creative space located in Manchester's Moss Side.

For more information, please contact info@boilerhouse.org or call 0161 465 6954.
